Sue B. shared the attached Board of Directors' Human Capital presentation with us.

The United Way goal for last year was \$23,983 or 65% participation. We raised \$24,361 and had 59% participation. The goal for this year is \$25,092 or 65% participation. Many of CAP's programs are dependent upon United Way funds. If we reach either the monetary or participation goal, an extra United Way Holiday will be awarded to employees who pledge at least 1/4 of one hours pay per pay period.

We haven't heard anything about the 2012 medical premiums yet. We will probably be hearing from them soon. Wage and Fringe will meet September 21st.

The Fall Staff will be held on October 21st at the Ramada in Stevens Point. ERC is working on fund raiser ideas for the United Way campaign during the Fall Staff meeting.

The Emergency Grant Fund is at \$3,541 currently. We will try to encourage employees to donate to the fund.

The next ERC Meeting will be held at 1608 West River Drive on October 11th, 2011 at 1:00 p.m.
