

Employee Relations Committee

March 8, 2011

Stevens Point

Members Present: Karen Danczyk, Mindy Machajewski, Miranda Bialk, Sue Ostrowski, Erik Wehler, Lisa Oksuita, Laura Jungwirth

HR Representative: None

We have two ERC Rep openings currently. Mary Ann retired, so we will have an Appleton slot open, and there is still a vacancy for Waupaca. Laura will check with Andy K to get a suggestion for the Appleton Rep. She will also check with someone at the Waupaca location for suggestions.

Sue Beveridge sent out an email with the Biennial Employee Satisfaction Survey. She asked us to review the 2009 survey tool and see if there are any suggestions for it. She wanted those suggestions in by 3/7. Jill is hoping to get the survey to Zoomerang by 3/21. Hard copies will still be available at work sites for those staff that prefer to do it the old fashioned way or don't have access to a computer.

The Employee Emergency Fund is at \$5,272.98. During the vacation cash outs, we get a lot of donations to this fund each year. It was a little bit lower, but we did get many contributions still this year. We would like to thank everyone who contributes to this fund.

We have not heard any updates on where the COLA will come in at for Head Start. We should be finding that out very soon.

We are still waiting to hear what happens with the Federal and State budgets to find out how CAP's programs will be affected.
